

HAO-LA!

Ginny Walden, Senior Teacher,
Breast Cancer Victor

Artist, musician, and visionary,
Ginny Walden, inspires all with her
own personal healing journey.

Discovering she had breast
cancer in 1997, she began
to unravel the patterns that
contributed to her condition.

During her medical treatment, she
reached out to expression in art, her
own depth of spirit, and the power
of CHI-LEL™ MEDICAL QIGONG to
create healing. Ms. Walden trained
in Beijing, China under seven top
CHI-LEL™ Masters to become one
of five CHI-LEL™ Senior Teachers
in the world. Since then, Ginny
has taught the art of self-healing to
thousands of people in Hawaii and
world-wide.

Ginny's story, "Olympic Heart" is published in
*Chicken Soup for the Soul's Life Lessons for the
Way You Live* by Co-author Jennifer Hawthorne.
Also, her book *Cancer Gone!* reveals her journals
during treatment and how she made life-giving
choices to become a cancer victor.
